

BIZ BOX

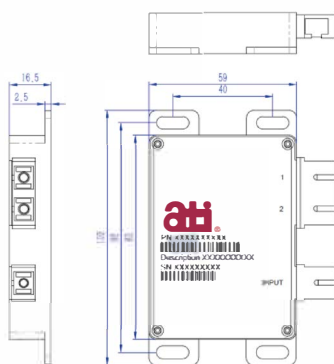

The Biz Box is a great fit for Enterprise, Business Class, and MDU (Multi Dwelling Unit) installations. It is a simplified replacement for wall mount patch panels. This modular design will fit a variety of installation types as well as fiber optic design applications. It is small, inexpensive, versatile, as well as fast and easy to install. It is ideal for PON or Active, Distributed and Centralized split plant types. This product will reduce labor cost by reducing labor and removing the need to splice as compared to standard termination methods. No splice equipment needed! Use basic tools that every technician already has in the bag. This is a plug-and-play solution that simplifies the termination at the customer premise. Save time... save money... switch to Biz Box today!
